Dear Parents,

This is to inform you that as per Government Order to Re-open the schools, I had sent a circular on 10-10-2020 to begin the classes from 19-10-2020. The consent forms signed by the parents were very few in numbers to re-open the school on 19-10-2020. Now many students and parents are expressing their desire to reopen the school for IX to XII. In consultation with school management committee and Government authorities, we decided to begin the classes for IX to XII from 23rd November 2020. Only the parents those who have signed the consent form will send their wards for the physical classes. Initially students will be called for a short duration (3 hours). The shift system will start later according to the number of students, all the directives of Standard Operating Procedures regarding hygiene, social distancing and thermal checking etc... will be strictly followed.

Following points should be strictly followed by the students,

1. No entry without masks. Latex gloves are also recommended.
2. For ENTRY and EXIT, students will be in a single file with a minimum of 1 meter distance.
3. Students will go directly for classes assigned and remain there for the entire duration.
4. We recommend carrying own water bottles.
5. No lunch break will be given.
6. No lending or borrowing of books/copies or stationary will be permitted.
7. Students will go home directly. No loitering about on campus before/during or after school hours.
8. The school will not be responsible for the conveyance. After taking the consent from the parents and consulting the Bus Association, will decide for availing Bus facilities for the students
9. Only bicycles will be allowed in the campus. Scooty and Motorcycles will not be allowed.

School timing : 08:30AM to 11:30AM
