## *The Founding Spirit: Mother Brigida Morello's Legacy*

**M**other Brigida Morello was born on June 17, 1610, in St. Michele di Pagana, near Rapallo, Italy, to Nicolo Morello and Lavinia Borzese. She was the sixth of eleven children, nurtured in a devout family that cherished education, faith, and community service. Her parents instilled in their children a strong sense of duty, love for God, and devotion to the Virgin Mary. From a young age, Brigida felt an profound connection with God, aspiring to dedicate her life to Him. Although she initially envisioned a life of holiness and religious service, God's plan led her to marriage.

In 1633, Brigida married Mathew Zancari in Rapallo. However, their happiness was short-lived due to illness during the siege, and Mathew's untimely death from tuberculosis in 1639. After his passing, Brigida renewed her commitment to God, taking a vow of perpetual chastity and consecrating herself to Jesus Christ.

On February 17, 1649, Brigida founded the Ursuline Congregation in Piacenza, Italy, with a mission to provide value-based education to young girls, preparing them to become exemplary wives and mothers. The congregation flourished, spreading across Europe, Asia, and South America. Today, the daughters of Mother Brigida Morello continue her legacy of education and service in various mission fields, including Italy, India, and Brazil.

## Editorial .....

As we commemorate the golden jubilee of St. Patrick's Sr. Sec. School, Jaunpur, we reflect on the profound impact of education in shaping lives and society. The sagacity of Nelson Mandela's words resonates deeply: "Education is the most powerful weapon which you can use to change the world." Our institution has been a beacon of knowledge, guiding generations of students to become responsible citizens and leaders, imbued with the values of intellectual curiosity, critical thinking, and compassionate service. The insightful words of Albert Einstein echo our mission: "Education is not the learning of facts, but the training of the mind to think." At St. Patrick's, we strive for holistic development, nurturing young minds to think critically, creatively, and compassionately, thereby empowering them to navigate the complexities of an ever-changing world. We pay a special tribute to the visionary leadership of Father Dominic, the Founder of St. Patrick's Sr. Sec. School, Jaunpur, whose pioneering spirit and steadfast commitment laid the foundation for our institution's growth and success. His legacy continues to inspire us to strive for excellence and serve the community with compassion and dedication. With boundless gratitude and deepest reverence, we express our heartfelt thanks to the Ursulines of Mary Immaculate (UMI) Sisters, the congregation to which our school belongs, for their selfless dedication, resolute commitment, and pioneering efforts over the past fifty years. Their tireless endeavours have been the bedrock of our institution's growth, transforming it from a humble beginning to a towering edifice of excellence. We are eternally grateful for their visionary leadership, nurturing spirit, and commitment to academic excellence that has shaped countless lives and inspired generations of students. We also extend our sincerest gratitude to our patrons and benefactors, whose generous support and trust have significantly contributed to the growth and development of our institution, enabling us to achieve our goals and aspirations. Their benevolence has been a cornerstone of our success, and we are deeply indebted to their kindness and foresight. I express my deepest gratitude to our Principal, Sr. Gracy Joseph, for her visionary leadership and steadfast support. Her charismatic leadership, calm temperament, and kind nature have been the driving force behind our endeavours, fostering a culture of academic rigour, creativity, and inclusivity. I extend heartfelt thanks to stalwarts of education and esteemed alumni for their inspiring messages, which have enriched this souvenir. Their words of wisdom and encouragement will surely motivate our students to reach greater heights, striving for excellence and making meaningful contributions to society. I acknowledge the tireless efforts of our Editorial Board members: Mrs. Nayab Jahan, Mrs. Anita Singh, Mrs. Sunita Mishra, Mrs. Soni Parveen, and Mrs. Jyotsana Singh. Their dedication and expertise have brought this souvenir to life, showcasing the rich cultural and academic heritage of our institution. Special thanks to Mr. Kishor Raju and Mr. Alan Dominic, for their technical support. We appreciate the creative writings contributed by our students, showcasing their talent and imagination. As we invoke the blessings of the Almighty, we pray for His continued guidance and wisdom. May St. Patrick's Sr. Sec. School, Jaunpur, remain a guiding light of knowledge and wisdom, illuminating the path for future generations, and empowering them to become responsible global citizens, committed to making a positive impact in the world.

### *Golden Jubilee Message*

With great joy I extend my heartfelt congratulations to St. Patrick Sr. Sec. School, Jaunpur, on the occasion of its Golden Jubilee. This remarkable milestone is a testament to the school's unwavering commitment to excellence in education, moral values, and holistic development.

For the past fifty years, St. Patrick's has been a beacon of learning, shaping young minds with wisdom, and a sense of integrity. The institution has stood firm in its mission and commitment to serve the society and Nation at large.

As we celebrate this golden occasion, we give thanks to the Almighty for His abundant blessings and guidance. May every student who passes through its portals be inspired to uphold the values of truth, justice, and service, carrying forward the legacy of St. Patrick's with pride.

Remembering all the founding pioneers with gratitude for this zealous labour, I invoke God's blessings upon the management, teachers, staff, students, and alumni. May this golden year be the turning point for the St. Patrick's to go forward as "pilgrims of hope" in the Jubilee Year of the Lord and ahead.

With fraternal wishes, Yours in the Lord,

  
+ **Eugene Joseph**  
Bishop of Varanasi

## *Message from the Superior General*

Golden Jubilee Souvenir – St. Patrick's School, Jaunpur

Dear,

Sr. Gracy Jose & Members of the St. Patrick's School Family,

It gives me immense joy to extend my heartfelt congratulations to St. Patrick's School, Jaunpur, on the occasion of its Golden Jubilee. This milestone is not just a celebration of 50 years of educational excellence but also a testimony to the vision, commitment, and grace that have guided the school since its inception.

Founded under the aegis of the Nirmala Education Society, St. Patrick's School has faithfully embodied the Society's vision: "Education for Wholeness through Faith, Hope and Love." This vision speaks not merely of academic success, but of forming individuals who are spiritually grounded, morally upright, intellectually competent, and socially responsible.

Faith has been the anchor of our educational journey - faith in God, in oneself, and in the potential of every learner to grow and transform. Hope has been our driving force - believing that every challenge is an opportunity, every child a promise. And above all, love has been the soul of our mission - unconditional, inclusive, and life-giving.

As we commemorate this Jubilee, we pay tribute to the generations of dedicated sisters, educators, staff, students, parents, and benefactors who have contributed to this journey. The golden thread that unites them all is the shared pursuit of wholeness - where learning touches the mind, heart, and spirit.

May St. Patrick's School continue to be a beacon of light, a cradle of values, and a nurturing ground where young minds are prepared not just for careers, but for life - with a deep sense of purpose and a commitment to building a just and compassionate world.

With prayerful blessings and warm regards,

**Sr. Vanadana Fernandes UMI**  
Superior General  
Ursulines of Mary Immaculate, Rome

## *Provincial Superior's Message*

*On the momentous occasion of the Golden Jubilee of St. Patrick's School, Jaunpur, I extend my Heartfelt congratulations to the management, staff, students, alumni, and all associated with this remarkable institution. Completing 50 years is not just a milestone but a testament to the dedication, Commitment and hard work that has shaped the school into what it is today--a beacon of education and holistic development.*

*This journey of five decades is a reflection of the values and ideals that the school has consistently upheld. Over the years, St. Patrick's has provided a nurturing environment that fosters academic excellence, moral integrity and social responsibility. It has produced not only successful individuals but responsible citizens who contribute to society with compassion, wisdom, and courage.*

*As we look back on the achievements of the past, let us also look forward with hope and determination to continue the mission of imparting quality education rooted in values. Let this celebration inspire each one of us to strive for greater heights in the future, ensuring that St. Patrick's remains a place where minds are enlightened, and hearts are nurtured.*

*I take this opportunity to thank the tireless efforts of the teachers, staff, and leadership teams, both past and present, who have contributed immensely to the growth of the school. I also congratulate the students and alumni who have carried the legacy of St. Patrick's forward with pride.*

*May this jubilee year be filled with gratitude for the past, celebration of the present, and hope for the future. May God's blessings continue to guide and strengthen the school as it embarks on the next phase of its journey.*

*With warm regards and prayers*

### Message

It is with immense pride and heartfelt congratulations that I extend my best wishes to St. Patrick's Sr. Sec. School, Jaunpur on the momentous occasion of its Golden Jubilee celebration. Marking 50 years of dedicated service to education is a significant milestone, one that speaks volumes about the school's enduring legacy, its unwavering commitment to excellence and its impact on generations of students.

Golden Jubilees are not only moments of celebration but also opportunities for reflection. As we look back, we acknowledge the contributions of all those who have been part of this incredible journey — the visionary founders, the committed teachers, the diligent administrative staff, and above all, the students who have carried the school's name with pride into the wider world. Each one has played a role in shaping the rich tapestry of this institution's history.

This milestone also invites us to look forward with renewed energy and purpose. The world is evolving rapidly, and so must education. I am confident that St. Patrick's Sr. Sec. School, Jaunpur will continue to embrace innovation, adapt to new pedagogical challenges, and provide a holistic learning environment that equips students not just for academic success, but for life. The integration of technology, emphasis on critical thinking, and focus on character building will remain essential as we prepare the next generation of leaders and changemakers.

I commend the school management for organizing this Golden Jubilee Souvenir, a tribute that captures the essence of the school's journey through the decades. This publication will serve as a cherished keepsake and a record of the school's enduring impact. I also extend my appreciation to the editorial team, contributors, and all those involved in compiling this beautiful compendium of memories, achievements, and aspirations.

Let this 50-year milestone be a source of inspiration for even greater accomplishments in the years ahead. May continue to shine as a beacon of knowledge and moral strength, empowering students to dream big and contribute meaningfully to society.

On behalf of the academic community and as Vice Chancellor I offer my warmest congratulations once again. May the legacy of excellence continue for many more jubilees to come.

With best wishes,

**Sr. Gracy Joseph**  
Principal  
St. Patrick's Sr. Sec. School,

To

The principal,

Esteemed Felicitations to St. Patrick's Sr. Sec. School, Jaunpur, on Its Golden Jubilee!

As an academican and a member of the Uttar Pradesh Public Service Commission, I extend my highest commendation to this illustrious institution for five decades of unparalleled dedication to academic brilliance, ethical stewardship, and transformative education. St. Patrick's has been a bastion of intellectual empowerment, shaping generations of visionary leaders and conscientious citizens who continue to elevate society.

This milestone is a resounding testament to the school's indelible legacy of excellence. May it continue to illuminate the path of knowledge, innovation, and humanistic progress for generations to come.

## *Message from the Education Secretary*

***A**s St. Patrick's Convent Sr. Sec. School, Jaunpur, celebrates its Golden Jubilee, a significant milestone, I extend my heartfelt appreciation and congratulations to the visionary UMI Pioneers, Management, Principals, Managers, Teaching and Non-Teaching Staff, Students, Parents, and all Stakeholders. The institution has evolved into a beacon of dedication, perseverance, excellence in learning, and upholding of values, adapting to changing times while staying true to its mission. The unique brand value of St. Patrick's, Jaunpur, lies in its committed, hardworking, and dedicated fraternity, motivated students, cooperative parents, and supportive stakeholders. May St. Patrick's continue to grow, thrive, inspire, and empower future generations, continue bringing Glory to God and Benefit to the world through its valuable contributions to education. Best Wishes & God's Bless!*

**Sr. Rekha Punia UMI**  
Education Secretary of  
Ursulines of Mary Immaculate

## *Principal's Musings*

*As we celebrate this golden occasion, I'm filled with immense joy and pride witnessing the remarkable journey of St. Patrick's Sr. Sec. School, Jaunpur. From its humble beginnings in 1974, our institution has grown into a beacon of excellence, spreading its fragrance far and wide. Over the past fifty years, we've navigated joys and pains, challenges and achievements, successes and failures. Yet, through it all, God's guidance has been palpable.*

*At St. Patrick's, we strive for the all-round development of our students, empowering them to become mature, responsible, and confident individuals. Our dedicated teachers not only impart knowledge but also instill essential values like academic excellence, human values, and self-belief. These values enable our students to realize their full potential and face life's challenges with courage and resilience.*

*In today's fast-paced world, education is indeed challenging and demanding. The changing value system and stress can often divert young minds from their goals. As parents and teachers, we play a vital role in shaping their growth and development. Let's work together to nurture our children into individuals of nobility and character.*

*I extend my heartfelt gratitude to our parents, guardians, well-wishers, teaching, and non-teaching staff for their wholehearted support and cooperation. With God's blessings, I'm confident we'll realize our dreams and create a brighter future for our students. Let's look forward to many more pleasant moments and memorable events that will shape the lives of our students.*

*May God continue to guide and bless St. Patrick's Sr. Sec. School, Jaunpur, as we strive for excellence in education and character development. May our institution shine as a beacon of light in the crown of Jaunpur, inspiring generations to come.*

## *Message from the Manager*

“Give thanks to the Lord, for He is good; His love endures forever.” – Psalm 107:1  
With hearts full of gratitude and joy, we celebrate the Golden Jubilee of our cherished St. Patrick's Sr. Sec. School, Jaunpur. This 50-year journey is a testament to God's enduring faithfulness and the unwavering commitment of the Ursuline Sisters to the mission of Christ through education.

Founded on the vision of our Foundress Blessed Brigida Morello, our school has been a sacred space where academic excellence walks hand in hand with Christian values. Generations of students have been nurtured not just in mind, but also in heart and spirit- taught to live with compassion, integrity, and a sense of service to others. Its indeed a matter of great pride that the Institution has produced a large number of Civil servants, academicians, entrepreneurs, social workers, and persons in various other professions who are contributing effectively today in the society.

As Manager, I am deeply humbled to witness the fruits of this mission- young men and women who carry the light of Christ into the world, making it more just, kind, and humane. I take this moment to thank every sister, teacher, staff member, parent, and student who has been part of this blessed journey.

May this Jubilee Year renew our zeal to continue forming lives rooted in faith, love, and truth. Let us march forward, ever mindful of our calling to be instruments of peace and transformation in our world.

God bless us all!

With prayerful wishes,

**Sr. Rita John UMI**

Manager

St. Patrick's Sr. Sec. School, Jaunpur

## *Message from the Office Administrator*

As St. Patrick School celebrates its glorious Golden Jubilee, I feel truly honored and blessed to be part of this remarkable journey—not just as an active member, but as someone who has witnessed the heartbeat of this institution since its early days.

Working in the office is often very essential, taking place beyond the public eye, yet it is closely woven into the daily rhythm of school life. Whether it's answering a parent's query, assisting a teacher, guiding a student, or managing day-to-day operations, each task has been deeply meaningful. St. Patrick School is more than just bricks and desks—it is a living family, built on faith, commitment, and love.

Fifty years of service, learning, and transformation—this milestone stands as a tribute to the visionaries, Sisters, teachers, students, and staff who have poured their time, talents, and hearts into making St. Patrick's the beacon it is today.

I am filled with pride and gratitude to walk these halls, to serve with purpose, and to witness the legacy of this institution grow stronger with each passing day.

Happy Golden Jubilee, St. Patrick School!

May the next fifty years shine even brighter.

With warm regards,

**Sr. Pushpa**  
Office Administrator

## *Message from Former Principal*

***I**t is a glad tiding that St. Patrick's Senior Secondary School Jaunpur is celebrating its Golden Jubilee. The most beautiful thing about a school is that it moulds generations after generations of students who in turn would shape their society for the better. As I reminisce on the days I spent with St. Patrick's school I am filled with pride and a sense of fulfilment. It is a privilege to communicate my sentiments of joy as the school crosses this remarkable milestone of 50 years.*

*A tiny spring creates a stream which in turn will grow into a river giving life to humans, animals and plants. Sometimes the flow is peaceful at times turbulent, at some place water becomes muddy and then clear. The river goes on unmindful of obstacles like pebbles, big stones and roots of trees. Every great Institution has to go through such struggles and disturbances to attain the desired growth and fruitfulness. St. Patrick's Senior Secondary School also had its moments of crisis and uncertainties, but now it is a time of rejoicing and celebration.*

*I extend my warmest congratulations to the management, staff and students who have been the lifeline of this Institution from its very inception. I wish them many more fruitful years in the service of Education. May every student who passes out of this Institution go forth as a little candle whipping out the darkness of evil from our society.*

**Sr. Clare**

Former Principal

St. Patrick's Sr. Sec School, Jaunpur

## *Message from Former Principal*

*J*ubilees are occasions to be celebrated; to recall the marvellous journey an institution has made through the years. The reason to celebrate is double when it is a Golden Jubilee. St. Patrick's Senior Secondary School, Jaunpur has proudly completed 50 GOLDEN YEARS of imparting quality education, moral and spiritual values. The School stands tall in its uncompromising efforts in fashioning a generation of youth who are self-disciplined and goal oriented. This is also an opportunity to reflect on the past achievements of the School as well as to introspect on the preparation to meet the challenges that lie ahead.

From the humble beginning in 1974, St. Patrick's Senior Secondary School has grown in leaps and bounds, now stands tall and proud with impressive buildings in a symphony of red and cream, equipped with the latest innovations in technology, expansive playing fields and a student roll of over 3000. The School has grown from strength to strength. Golden Jubilee Celebration could well be called the year of gratitude, because we have so much to be thankful for. The occasion will remind all of us to count the blessings God has bestowed upon the Institution resulting into the growth, both in excellence and strength.

It is my sincere wish that the School will continue to stride towards greater accolades in the years to come and will make the country proud of its efforts towards nation building. I congratulate the Management, Principal, Sr. Gracy Joseph, Staff, the Support Staff, the Students and ever Supportive Parents on completion of the Golden Jubilee of St. Patrick's Senior Secondary School, Jaunpur.

*Congratulations And God's Blessings!*

**Sr. Felicia**  
Former Principal  
St. Patrick's Sr. Sec School, Jaunpur

## *Message from Former Principal*

*It is my immense joy and privilege to have been part of the esteemed mission of education at St. Patrick's School. Every milestone achieved and every step of progress made fills my heart with pride for this revered institution. I cherish the memories of my five-year tenure as Principal, and even today, the spirit of St. Patrick's continues to inspire me. As St. Patrick's School celebrates its Golden Jubilee, a remarkable feat in its journey, I am filled with admiration for its championship in providing quality education, spreading social and civic responsibility, and fostering national integration and harmony. These values are the cornerstone of a progressive society, and St. Patrick's has been a beacon in promoting them. I extend my warmest greetings, felicitations, and good wishes to the entire St. Patrick's fraternity – the management, faculty, staff, students, parents, and all stakeholders. May the institution continue to thrive, inspire, and empower future generations. Congratulations to one and all associated with St. Patrick's School on this glorious occasion. May God bless you all and guide the institution in its future endeavors.*

**Sister Prabha  
Former Principal  
St. Patrick's Sr. Sec School, Jaunpur**

## *Message from City Coordinator*

*Dear Students, Staff and Families of St. Patrick's, Senior Secondary School,*

*It is with immense pride and heart felt admiration that I extend my warm congratulations to you on the release of your annual magazine. This exceptional publication is a brilliant reflection of your creativity, diligence and vibrant spirit that characterize your esteemed institution. As the city coordinator, I am a deeply privileged to witness the outstanding contributions of St. Patrick's Senior Secondary School and to celebrate your accomplishments with you.*

*I must applaud the remarkable efforts of your students, whose innovative ideas and relentless enthusiasm illuminate every page of this magazine. Balancing academic excellence with such commendable extracurricular achievement is not a small task and your dedication to holistic growth is truly inspiring. Equally praiseworthy are the teachers and staff of St. Patrick's Senior Secondary School, whose tireless commitment and passion for education have cultivated a nurturing environment where young minds thrive. Your unwavering focus on fostering not only academic success but also values, creativity and leadership sets a stellar benchmarks in the realm of CBSE education.*

*In my role as a city coordinator, I have the privilege of observing many schools, yet St Patrick's Senior Secondary School consistently stands out for its innovative practices and resolute pursuit of excellence. This magazine is more than just a compilation of articles and art work - it is a vibrant celebration of the collective ethos that propels your school forward. It is a shining example of what can be achieved when a community unites in the pursuit of knowledge and self-expression. I wish you years filled with continued success, joy and countless opportunities to excel. St. Patrick's Senior Secondary School continue to flourish living and enduring legacy in the field of education for generations to come.*

*With my deepest appreciation and best wishes.*

**Dr. Ruchi Sharma**  
City Coordinator, Jaunpur

### ***A Journey Through Time***

*As an alumnus of the very first batch of this school, I am both humbled and proud to pen down my thoughts as we celebrate its Golden Jubilee. Fifty years ago, we stood at the threshold of a journey that was not only ours but also the beginning of this institution's story—a story that has since flourished into a legacy of excellence, growth, and inspiration.*

*In those early days, the school was like a seed just beginning to sprout. The walls might have been simple, and the resources modest, but the vision was grand, and the dreams were limitless. I vividly remember the dedication of our teachers, who worked tirelessly to shape not just our academic minds but also our values, character, and outlook on life. They laid the foundation for what this institution has become today—a beacon of learning and a second home for generations of students.*

*What made those initial years truly special was the sense of togetherness. We were pioneers, discovering new opportunities, overcoming challenges, and setting traditions that have stood the test of time. From the first school assembly to the first sports day, every event was imbued with a spirit of enthusiasm and unity. It is heartening to see how those seeds of camaraderie and excellence have blossomed into a vibrant culture that continues to inspire.*

*As I walk through the corridors of memory, I marvel at how far the school has come. From a handful of classrooms to a sprawling campus, from a fledgling institution to one renowned for academic brilliance, cultural vibrancy, and ethical grounding—the transformation is nothing short of remarkable. Each milestone achieved over the past five decades is a testament to the unwavering commitment of the school's leadership, faculty, and students.*

*The Golden Jubilee is not just a celebration of the past but also a moment to look ahead. To the current students, I would say: You are part of a legacy that has been built with love, perseverance, and hard work. Carry it forward with pride, for the future of this institution rests in your hands.*

*As an alumnus, I feel immense gratitude for the role this school has played in shaping my life and countless others. It has not just imparted knowledge but also taught us the values of resilience, integrity, and compassion. On this momentous occasion, I extend my heartfelt congratulations to the entire school community. May the next fifty years be even more glorious, and may this institution continue to illuminate lives and transform futures.*

*Here's to fifty years of excellence and to many more to come!*

Dear St. Patrick's Family,

As I sit down to pen this message, I am overwhelmed with nostalgia, emotions, and gratitude. St. Patrick's has been more than just an alma mater to me. It has inculcated values which truly define what I am today. I was a sapling when I stepped into this school for the first time. It is this institution that nurtured and transformed me into a full-grown tree.

In hindsight, as I look back on my journey from a naive 4-year-old boy to a proud IPS officer, I am reminded of the values, principles, and lessons that this esteemed institution instilled in me. The seeds of discipline, courage, hard work, empathy, and compassion that were sown here have been instrumental in choosing a career dedicated to the service of the nation.

As we celebrate the Golden Jubilee of this iconic institution, I salute its visionary founders, the dedicated teachers who nurtured us, the caring staff, and the resilient students who have passed through its hallowed halls.

St. Patrick's has been, and will always be, a beacon of hope, excellence, and service. May it continue to inspire generations to come and may it continue to light the hearts and minds of generations to come. Congratulations to one and all on this momentous occasion!

With love, gratitude, and pride,

**S.M QASIM ABIDI, I.P.S**

Vigilance Establishment Gorakhpur

## Message

Dear St. Patrick's Family,

As I take a moment to reflect on my journey, I am filled with immense gratitude and nostalgia for my alma mater. My school has been more than just a place of learning; it has been the foundation upon which I have built my life and career.

From the classrooms that echoed with curiosity to the playgrounds that nurtured lifelong friendships, every corner of this institution has contributed to shaping the person I am today. The lessons of discipline, perseverance, integrity, and excellence instilled here have guided me through every challenge and success in life.

As we celebrate the Golden Jubilee of my remarkable institution, I extend my heartfelt appreciation to the visionary leaders, dedicated teachers, and inspiring mentors who have made this school a beacon of knowledge and values. To the students who walk these corridors today, I urge you to cherish your time here and carry forward the legacy of excellence.

May this institution continue to flourish, shaping many more lives, just as it has shaped mine. Congratulations on this milestone, and may the journey ahead be even more glorious!

With deepest respect and gratitude,

## Message

I am proud to hail from Jaunpur, where I had the privilege of studying at St. Patrick's, my beloved alma mater. Being a small town, Jaunpur offered limited opportunities for exposure and holistic growth. However, St. Patrick's and its remarkable teachers spared no effort in nurturing students like me, guiding us to become the future leaders we are meant to be.

Up until the 4th standard, I was just another student in the classroom, nothing exceptional. However, a few perceptive teachers saw something within me that I hadn't yet discovered about myself. They believed in me, encouraged me to push beyond my limits, and inspired me to dream bigger. It began with small, yet significant actions - an extra question to solve, a gentle nudge to take part in a debate, a comforting pat on the back, and even a motherly reprimand.

Being entrusted with the role of school pupil leader taught me invaluable lessons in leadership, empathy, humility, and the importance of inclusive progress. Being encouraged to participate in sports instilled in me courage and spirit of teamwork. While well-crafted and engaging numerous literary activities sharpened my ability to express myself with clarity and become resilient for future.

In hindsight, these moments were not merely acts of encouragement, they were the experiences that cultivated my confidence, fuelled my aspirations, and paved the way for my future.

Though life after school took me to places I had never imagined, the foundation that was laid during those formative years remains my greatest asset even today.

To every student reading this, never doubt your potential. Remember, you are supported by an extraordinary institution like St. Patrick's, with teachers who see beyond the surface. And to every teacher, thank you for shaping an ordinary student like me into the person I am today. My deepest gratitude.

Best regards

विद्या ददाति विनयं विनयाद्याति पात्रताम् पात्रत्वाद्धनमाप्नोति धनाद्धर्मं ततः सुखम्।

Education bestows humility, leading to worthiness, wealth, and ultimately, joy and fulfillment. As a proud member of the St. Patrick's School family for over 30 years, I have witnessed the school's unwavering commitment to excellence and its passion for shaping young minds to foster holistic growth.

As we celebrate our golden jubilee this year, I express my heartfelt gratitude to all the Principals, Sisters, and educators for their tireless efforts and devotion. Their dedication has enabled our school's remarkable achievements and its ability to serve society with distinction.

We deeply appreciate the support of our parents and the community, which has significantly contributed to our legacy of success. Let us continue to empower young minds, fostering a brighter future for individuals, society, and the nation. With a steadfast commitment to excellence and an enduring allegiance to education, we will undoubtedly create a lasting impact.

Best regards,

## Events, Competitions, Celebrations and Orientations

### Science Exhibition “Brain-Rain-Chimes”

(November 4, 2023)

On November 4, 2023, St. Patrick's Sr. Sec. School hosted the "BRAIN-RAIN-CHIMES" science exhibition, a vibrant celebration of innovation and creativity. The event, inaugurated by Professor Vandana Singh, Vice Chancellor of VBSPU, saw enthusiastic participation from students and teachers alike. The exhibition, which ran from 9 a.m. to 3 p.m., featured a perfect blend of science, craft, and technology. The main attractions included exhibits on the Titanic theme, Time Machine, Scene of the Universe, and Ocean Gate, alongside science projects like plant growth in pipelines, electroplating, and a wireless charging station. Other highlights included a hand gesture-controlled car, river garbage cleaning machine, and synthesis of fragrance. The event drew applause from dignitaries, principals of various schools, parents, and guests, showcasing the students' creativity and innovative spirit.

## Siksha Saptah

The Ministry of Education, Government of India, celebrated Shiksha Saptah, a week-long celebration, from July 22 to 28, 2024. This event commemorated the 4th anniversary of the National Education Policy (NEP) 2020, introducing transformative reforms in education.

Shiksha Saptah aimed to foster collaboration and innovation among learners, educators, policymakers, and stakeholders. The week-long celebration provided a platform to share best practices, discuss challenges, and celebrate the achievements of NEP 2020.

### **Overview of the daily themes during Shiksha Saptah:**

- Day 1 : Teaching-Learning Material (TLM) Day - Encouraging teachers to showcase TLM based on local contexts and use them in the teaching-learning process.
- Day 2 : Foundational Literacy and Numeracy Day - Focusing on generating awareness and implementing successful literacy and numeracy strategies.
- Day 3 : Sports Day - Highlighting the significance of sports and fitness among learners through various competitions.
- Day 4 : Cultural Day - Promoting the celebration of India's rich cultural diversity within educational settings
- Day 5 : Skilling and Digital Initiatives Day - Recognizing the need for new skills in today's digital age and exploring digital initiatives for enhancing classroom experiences .
- Day 6 : Eco Clubs and School Nutrition Day - Encouraging environmental awareness and nutrition among students .
- Day 7 : Community Involvement Day - Fostering collaboration with local communities for socio-emotional well-being of students and providing an ecosystem for skill development.

## Inauguration of Accessible Ramp

On August 10, 2024, our school took a significant step towards inclusivity with the inauguration of a newly constructed ramp. Dr. Kavita Meena, IRS Joint Commissioner, Income Tax Varanasi, graciously cut the ribbon.

This accessible ramp facilitates easy access for students with disabilities, promoting an inclusive and equitable learning environment.

## 78th Independence Day Celebration

*Our school celebrated the 78th Independence Day on August 15, 2024. Chief Guest Fr. Rajesh Masih and Principal Sister Gracy Joseph led the flag-hoisting ceremony.*

*Students showcased their patriotism through speeches, songs, and a skit highlighting India's freedom struggle. Fr. Rajesh Masih emphasized unity and paid tribute to freedom fighters. Principal Sister Gracy also shared her thoughts with the gathering.*

## Foundress' Day Celebration

**August 4, 2024**

*The students of Class Fifth joyfully celebrated Foundress Day, paying tribute to Mother Brigida's legacy. The event featured captivating performances, including a dance, song, and a play titled 'Biscuit,' which beautifully depicted her life. The sisters were honoured with bouquets and tokens of love, adding a touching moment to the celebration.*

## Teachers' Day Celebration

September 5, 2024

**T**he students celebrated Teacher's Day with great enthusiasm. The program commenced with a symbolic lamp lighting ceremony, followed by a series of engaging performances, including speeches, dances, songs, and a skit. To express their appreciation, the students presented thoughtful gifts to their teachers, making the day truly special.

## Gandhi and Shastri Jayanti Celebration

October 2, 2024

**G**andhi Jayanti and Shastri Jayanti were celebrated with great enthusiasm. The event featured a variety of cultural programs, including soulful songs, inspiring speeches, and energetic dance performances. The program concluded with a thought-provoking speech by Principal Sr. Gracy Joseph, leaving a lasting impact on the students.

## Diwali Celebration

October 28, 2024

*Students joyfully celebrated the Festival of Lights with musical drama, songs, and speeches. The celebration concluded with an explanation of Diwali's significance, highlighting the triumph of light over darkness and good over evil.*

## “Grazie-A-Dio “A Celebration of 50 Years of Excellence”

November 8-9, 2024

*St. Patrick's Senior Secondary School joyously celebrated its Golden Jubilee function, aptly named Grazie-A-Dio, on November 8<sup>th</sup> and 9<sup>th</sup>, 2024. The theme centered around expressing gratitude for five decades of excellence, acknowledging the institution's role as a beacon of knowledge and talent.*

*Distinguished guests included Right Reverend Dr. Eugene Joseph, Bishop of Varanasi Diocese; Dr. Dinesh Chandra Singh, District Magistrate of Jaunpur; and Dr. Ajay Pal Sharma, Superintendent of Police, Jaunpur.*

*The celebrations showcased a diverse range of programs, including skits, songs, and dances, highlighting the students' talents. The event concluded with a vote of thanks and a heartfelt thank-you song and candle ceremony involving teachers and students.*

*This milestone celebration underscored the school's commitment to excellence and its rich legacy.*

## Christmas Celebration

December 21, 2024

*Our school celebrated Christmas with enthusiasm and fervour students showcased their creativity and talent through:*

**Carols :** *Melodious Christmas carols, including "Jingle Bells" and "Silent Night"*

**Dance :** *A vibrant dance performance with energetic and lively moves.*

**Skit :** *A meaningful skit on the story of Christmas highlighting its significance and values*

**Surprise Santa Dance :** *A delightful surprise performance adding to the celebration. The event fostered a sense of community and joy, emphasizing kindness, generosity, and love during Christmas".*

## Diwali Celebration

## “Grazie-A-Dio “A Celebration of 50 Years of Excellence”

## Christmas Celebration

## Republic Day Celebration

January 26, 2025

*The school celebrated the 76th Republic Day with great patriotic fervor. Students presented a spectacular program featuring a skit, dance performances, patriotic songs, and a dance drama. In her address, Principal Sr. Gracy highlighted the significance of the day, emphasizing the importance of upholding constitutional values in all aspects of life.*

## Farewell of Outgoing Students

February 01, 2025

*The farewell function reached its pinnacle with the selection of Miss St. Patrick's and Master St. Patrick's. After a rigorous process, Khyati Vadhawa and Siddhant Singh from Class 12-A were crowned the titles, respectively. Principal Sr. Gracy Joseph bestowed upon them the crown and badge of honour, marking a memorable moment in their school journey.*

## Valedictory Function

February 04, 2025

The valedictory function for the academic session concluded on February 4, 2025. The ceremony witnessed the announcement of the Overall Annual House Activities results, co-curricular achievements, and sports accolades. The Principal and esteemed faculty members presented medals and trophies to the winners. Nehru Squad (Gold House) emerged victorious in literary activities, while Tagore Squad (Blue House) excelled in sports. Notably, Nehru Squad also secured the top spot in House Activities. In the overall standings, Nehru Squad claimed the championship title with 212 points, followed closely by Tagore Squad as the runner-up with 202 points.

## Farewell of Teachers and Sisters

In a heartwarming ceremony, our institution bid a fond farewell to Manager Sr. Rita, Office Superintendent Sr. Pushpa, and Sr. Anisha who were transferred to new roles, while Mrs. Sudha Vishwakarma and Mrs. Renu Tripathi retired after years of devoted service.

The event was filled with nostalgia and appreciation as colleagues and well-wishers gathered to pay tribute to these remarkable individuals. Speeches and presentations highlighted their contributions, dedication, and commitment to the institution.

## Constitution Day Celebration

November 26, 2024

*Our school observed Constitution Day on November 26, 2024, to commemorate the adoption of the Constitution of India. Various activities were organized, including:*

- *Declamation contests*
- *Street plays*
- *Painting competitions*

*These programs aimed to educate students about the significance and principles of the Indian Constitution, fostering awareness and appreciation for the nation's foundational document.*

## Inter-School Painting Competition

October 19, 2024

Our school successfully hosted an Inter School Painting Competition, attracting participation from various esteemed schools. On October 19, 2024, talented students from these institutions showcased their artistic prowess and unique styles on canvas. The participating schools included:

1. **St. Xavier's Inter College, Mariyahu**
2. **St. Xavier's School, Badlapur**
3. **Umanath Singh Higher Secondary School**
4. **Mount Litera Zee School**
5. **Dr. Rizvi Learner's Academy**
6. **Maa Durga Ji Senior Secondary School**

This event provided a valuable platform for students to exhibit their creativity and artistic skills, fostering a spirit of healthy competition and artistic expression.

## Inter-School Sports Competition

Sports tournament was held on September 2-3, 2024, bringing together several schools from the region. Participating schools included Doctor Rizvi Learners Academy, St. Xavier's, Badlapur Public School, Maa Durga School, Sunbeam School, and Mount Litera School. After an exciting series of matches, Doctor Rizvi Learners Academy emerged as the winner in the Girls' Kabaddi category, while St. Xavier's School took home the top spot in Volleyball. Congratulations to both teams on their impressive victories!

## Warbits Artificial Intelligence Event

October 28, 2024

*Students from our school participated in the Warbits Artificial Intelligence event held at DR Rizvi Learners on October 28, 2024, and were awarded certificates for their participation.*

## Doha Vachan Competition

October 28, 2024

*Our students actively participated in the Doha Vachan Competition held at S.S. Public School on October 28, 2024. The achievers include:*

**Parth Singh**  
Class IX-B  
Secured 3rd Position

**Srijan Singh**  
Class VIII-B  
Participation Certificate

**Prakalp Upadhyay**  
Class VI-A  
Participation Certificate.

## Veer Gatha Celebration

September 10, 2024

As part of the CBSE's Veer Gatha initiative, our students showcased their artistic talents by presenting heroes of Veer Gatha through vibrant paintings, paying tribute to their bravery and valour. This program aimed to instill a sense of patriotism and inspire students to emulate the courageous acts of our nation's heroes.

## Children's Day Celebration

Teachers celebrated Children's Day with great enthusiasm, showcasing a variety of entertaining programs for the children. The event featured a range of activities, including skits, dance performances, songs, and a fashion show, ensuring a fun-filled day for all the young participants.

## Eid and Guru Nanak Jayanti Celebration

On April 9, 2024, Class 1st 'A' students joyfully celebrated Eid-ul-Fitr, marking the culmination of Ramzan. The celebration aimed to instill values of religious tolerance and secularism in young minds. The program began with an enlightening talk about the significance of Eid, followed by a delightful dance performance by the students. Their graceful and energetic dance moves added to the festive spirit, making the celebration truly memorable.

*Students celebrated Guru Nanak Jayanti to mark the birth anniversary of Guru Nanak Devji, the founder of Sikhism. Through songs and speeches, the students beautifully depicted the teachings and preachings of Guru Nanak Devji, highlighting the significance of his message.*

## Investiture Ceremony

*The Investiture Ceremony, held on April 26, 2025, marked a significant milestone in the school's calendar. Cabinet members were formally inducted, and students took their oath of office as House Captains and Vice-Captains, pledging to lead with integrity and enthusiasm. Vartika Singh of Class 12th Science was nominated as School Captain, and Sarthak Agrahari selected as a vice- captain a well-deserved recognition of their exceptional leadership qualities and dedication.*

## A Culinary Extravagaza!

The two-day Fireless Cooking Skills Competition, held on August 6th and 7th, 2024, was a resounding success, showcasing the culinary prowess of our Class 12th students. On the first day,

Students creatively prepared an array of delectable salads, sandwiches, and fruit dishes, demonstrating exceptional teamwork, communication, and problem-solving skills.

The competition aimed to promote healthy eating, creativity, and resourcefulness in the kitchen. On the second day, students pushed the boundaries of culinary innovation, experimenting with unique ingredients and presentation styles.

The Fireless Cooking Skills Competition was a huge success, highlighting our students' culinary talents and creativity. We look forward to hosting many more such events, encouraging students to explore their passion for cooking and healthy living.

### Health Awareness Program: A Resounding Success!

Our school hosted a highly successful Health Awareness Program on August 10, 2024, jointly presided over by esteemed guests IRS Dr. Kavita Meena and IAS Ishita Kishore.

**Highlights:**

**Excellent Yoga Performances:** Students showcased Surya Namaskar and other essential yoga asanas.

**Dr. Kavita Meena's Dance Performance:** Her captivating dance highlighted the connection between dance and health.

This event showcases the impact of collaborative awareness programs in promoting healthy habits and wellness.

## Poshan Abhiyan

*On November 30, 2024, our school celebrated Poshan Abhiyan, a flagship initiative launched by the Honourable Prime Minister to improve nutrition among children and women across India. To contribute to the objectives of Poshan Abhiyan, we organized various activities, including a pledge, group discussions, debates, plantation drives, and an essay writing competition on saplings. These events aimed to raise awareness about the importance of nutrition and promote healthy habits among students.*

## Pariksha Pe Charcha 2025 : Empowering Students, Transforming Lives

*The Ministry of Education, Government of India, has been organizing Pariksha Pe Charcha (PPC) annually since 2018, aiming to help students manage exam stress and foster a positive attitude towards learning. This year's edition, PPC 2025, promises to be an exciting event. It was held on 4th January 2025 this year. Staff and students enthusiastically participated in it.*

## AI Presentation

**December 18, 2024**

*Students from our school showcased their graphic presentation skills at Janak Kumari School, Jaunpur. The presentation highlighted their creativity and proficiency in using AI tools."*

## Inspection By UMI Sisters

On December 9, 2024, our school was honored to host the UMI sisters for an inspection visit. During their visit, the sisters interacted with students in various classes, gathering feedback and insights. A special assembly was organized to mark the occasion, featuring prayers, songs, and dances. Sr. engaged with the students, offering encouragement and support.

## Bharat on the Moon

On August 24, 2024, our students celebrated the historic achievement of India's lunar mission. To commemorate this milestone, we utilized the "Bharat on the Moon" portal to:

- Expose students to STEM concepts related to space exploration
- Share inspirational stories of scientific heroes
- Foster creative thinking and innovation

*This engaging experience sparked curiosity and enthusiasm among our students, inspiring them to reach for the stars!*

## Literary Activities

### *Inter-House competitions*

*Inter-House competition - 2024 Various Inter-House competitions were held from 27th August, 2024 to 31 st August, 2024. The competitions were as follows: -*

- *27. 08. 2024 – Story Writing Competition (classes – VI to VIII) to the students of classes vi to viii showcased their creativity through story writing. The teacher in charges were Miss. Anjali and Mrs. Archana Singh*
- *27.08.2024 Clay Modelling (classes - Nursery) → The tiny tots of Class nursery moulded their imagination and brought out something new in the form of clay modelling. The in-charge teachers were nursery teachers.*
- *28.08.2024- Quiz competition/classes- IX to XII) The IQ level and knowledge of students were tested through quiz competition which was conducted for classes lo XII. The in-charge teachers were Mr. Gyanendra Upadhyay, Mr. Randhir, Neeta Upadhyay, Mr. Ravindranath Halawai, Mrs shalini shivastava II and Miss Sheereen Farhat.*
- *28.08.2024 – story Telling (Classes -L.K. G) Their imagination has no limit and no boundation. These were through the competition of storytelling by Lt. small kids of L.K.G helped by incharge teachers of L.K.G*
- *29.08-2024 Painting competition (IX to XII) for them sky is the limit and imagination has no boundaries. The students of classes XI to XII showcased there imagination in the form of painting. The in-charge teachers were Kahkashon Parveen and Mrs Shivangi Tiwari.*
- *30.08.2024-Spell Bee (Classes I & II) The learner, the memories of classes I & II participated in spell Bee competition which shaves their sense of competitiveness. The in-charge teachers were Mrs Sadhna Mishra and Mrs. Ranu Singh*
- *30.08-2024-Elocution competition (Classes IX to XII) To show their art of public speaking and the power of words the participant for classes IX to XII took the stage and shared their thoughts, ideas and perspectives on the given topic the incharge teachers were Mrs. Renu Tripathi, Mrs. Nayalb Jahan Mrs Shweta Pal and Mrs. Soni Parveen.*
- *31.08.2024- Little Einstein (classes III to V) the future scientists little Einstein are here ready for participation in science quiz competition. It was held for science classes III to V and the incharge teachers were Mrs. Zaiba Askery and Mrs Swati Singh.*
- *31.08 2024 - Quiz Competition (Classes VI to VIII) to showcase their power of knowledge, classes to participated activity in quiz competition, the in-charge teachers were Miss Anjali, Mrs Archana Singh , Miss Roli Singh and Mr. Ravi Kumar Gupta.*

# Kids Corner

## Little Wonders Big Smiles

## Rainbow of Artistry: “A Rainbow of Possibilities”

## Astraea's Lament

Vast and deep, a cosmic sea,  
The universe holds mystery.  
Stars like diamonds, scattered bright,  
Dance in the endless, inky night.  
Galaxies swirl in swirling sand,  
Formed by an unseen, mighty hand.  
Nebulae glow with colors bold,  
Stories untold, ages old. Black holes  
whisper dark and deep,  
Where time and space forever sleep.  
From the tiniest atom, ever small.  
To galaxies grand, it holds them all.  
The universe, forever wide,  
A constant wonder, deep inside.  
It beckons us with starlight's gleam,  
To ponder, explore and ever dream.

*Khadija Ghazanfer, VI C*

## Guardians of Time

Against the Sands of Time they rise,  
These giants with their stoic eyes.  
The Pyramids of Giza stand,  
A Testament to human hand.

For pharaohs built with sweat and stone,  
A stairway reaching to the unknown.  
Their secrets whisper in the breeze,  
Of life and death, mysteries.

The stones once smooth,  
now bear the marks  
Of scorching Sun  
and desert larks.  
Yet still they stand,  
a might wall  
Defying time, Defying all.

*Sakeena Ghazanfer, XI A*

## Don't Give Up

If you keep on going and never stop.  
You can keep on going.  
You can make it to the top.  
Life is full of mountains,  
Some are big and some are small,

But if you don't give up  
You can overcome them all.  
So, keep on going try not to stop.  
When you keep on going.  
You can make it to the top.

*Afeefa, IV-D*

## Role of Discipline in Student's life

Introduction:

Discipline is very important in a student's life. It helps students stay focused, organised, and reach their goals. Without discipline, even hard work can go to waste.

Body of the Article:

Discipline teaches to respect time, follow rules, and behave properly. A disciplined student manages studies, activities and free time well. It also builds habits like punctuality, honesty, and responsibility.

In school, discipline creates a peaceful environment for learning. Students who are disciplined complete their homework, listen in class, and perform better in exams. Outside school, discipline helps avoid distractions like laziness and too much screen time.

Conclusion:

Discipline is the key to success. Students who follow discipline today will surely have a bright future. It shakes a strong character and helps them become good citizens.

*Sukaina Fatma, I-E*

## COMMERCE: THE LIFELINE THAT CONNECTS DREAMS, PEOPLE, AND PROGRESS.

Commerce is a very important part of our daily lives. It connects people across cities, countries, and even continents. From the smallest village market to the biggest online stores, commerce plays a major role in making sure that goods and services reach the people who need them. But what exactly is commerce, and what makes it so important? What is Commerce?

Commerce means the buying, selling, and exchanging of goods and services to satisfy human needs. It is not just about money — it is about connecting producers (who make goods) with consumers (who use them). It includes all activities that help trade, such as transport, banking, insurance, and advertising. Simply put, commerce is the bridge that joins those who have products with those who need them.

Main Characteristics of Commerce

**Here are the major features that make commerce so special:**

- **Exchange of Goods and Services:** The heart of commerce is the exchange. It could be goods like clothes and food, or services like teaching and transportation.
- **Helps in Distribution:** Commerce moves goods from the place where they are produced to where they are needed. Without commerce, goods would stay stuck in factories and farms.

- **Creates Utility:** Commerce makes products more useful by making them available at the right place, at the right time, and in the right condition for the consumer.
- **Aims for Profit:** Most businesses involved in commerce do it to earn profits by satisfying customers' needs.
- **Supports Trade and Aids to Trade:** Commerce doesn't only mean buying and selling. It also includes all the services that make trade possible — like transportation, banking, communication, and insurance.
- **Bridges the Gap between Producers and Consumers:** Without commerce, the farmer's wheat would never reach your plate, and a manufacturer's goods would never reach your home. Commerce connects producers with the final consumers.
- **Involves Risk and Uncertainty:** There is always some risk in commerce — like goods being damaged in transport, changes in market prices, or goods not being sold.
- **Deals with Goods and Services:** Commerce is about goods and services that can be bought and sold legally, not personal things like cooking for your own family.
- **Economic Activity:** Commerce is always done with the aim of earning money or income. It is not a hobby or for personal pleasure.

- Evolves with Technology: Commerce keeps changing with time. Today, online shopping, digital payments, and e-commerce have made trading faster and easier.

- Career Opportunities in Commerce

**Studying commerce opens the door to many exciting careers! Here are some popular career options:**

- Accountant: Managing money and financial records for businesses.
- Banker: Working in banks to handle savings, loans, and investments.
- Business Manager: Running or managing different parts of a company.
- Chartered Accountant (CA): A highly respected financial expert who audits and advises businesses.

- Company Secretary (CS): Taking care of legal and administrative work for companies.
- Marketing Manager: Creating ideas to promote and sell products.
- Financial Analyst: Studying market trends and advising on investments.
- Entrepreneur: Starting your own business and becoming your own boss.
- Insurance Advisor: Helping people and businesses choose the right insurance plans.
- Logistics Manager: Organizing the transport and storage of goods

## **Title: The Future of Commerce in India by 2050: A Government-Driven Vision**

### *Introduction:*

India is rapidly transforming into a global economic powerhouse. Guided by the government's vision of Viksit Bharat 2047, the future of commerce by 2050 will be shaped by digital innovation, sustainability, and global trade leadership.

### **1. Digital and Smart Commerce**

By 2050, most business transactions will be digital. Technologies like UPI, Artificial Intelligence (AI), and blockchain will make commerce faster, safer, and more efficient. Government initiatives such as Digital India, IndiaAI Mission, and BharatNet are laying the groundwork for this transformation.

### **2. Green and Sustainable Growth**

Eco-friendly industries, clean energy, and low-carbon practices will become mainstream. Government policies are encouraging sustainable business models and reducing environmental impact.

### **3. Startup and Innovation Ecosystem**

Through Startup India, the government is empowering young entrepreneurs. By 2050, innovative startups in fintech, agritech, and edtech will be key drivers of the economy.

### **4. Skill Development and Employment**

The Skill India mission is preparing India's youth for future challenges. Programs like SANKALP and International Skill Centres aim to enhance employability and promote entrepreneurship.

### **5. India in Global Trade**

Schemes like Make in India and PLI are boosting exports and manufacturing, positioning India as a major player in global trade.

### *Conclusion:*

By 2050, Indian commerce will be digital, sustainable, and globally connected—powered by strong government policies and a skilled, innovative youth.

**Prakhar Pratap Singh XII**

## Hard Times: Launchpads for growth and Change

- We feel many times in life that we are passing through hard times. It can be related to health, financial or family problems but frequently our hard times arise from our minds. Mental hard times are mostly a wounded ego. In such times all we need to do is a shift in our thinking, the way we see and interpret life. Here are a few tips to help us rise above challenges:
- Shift your perspective: View challenges as a chance to grow. Ask yourself- Is this the worst that can happen? The moment we change the track of our thinking to, 'This is not the worst' the panic subsides and the situation becomes easy to manage.
- Think differently: Instead of feeling weak or confused utilize times to become braver and stronger. Identify your strengths. Hard times often reveal what's working and what isn't.
- When you make mistake, you condemn yourself: "I am worthless". Be humble to accept your mistake and work hard to regain confidence. Turn a hysterical moment into historical moment, one that you reminisce as an event that made you braver and stronger.
- Everyday will not be the same: If today it is sunshine, the next day can be cloudy. One must learn to appreciate the cloudy weather

also. You cannot be strong and creative if you keep complaining about life. When you learn to enjoy all seasons, you will become a ray of hope for those who need to rise above their clouds.

- We should start counting our blessings: Sometimes we have to pay the price for our foolishness. But let's be grateful that we caught before it could grow into a disaster. Knowing our wounds in itself is strength.

Life wants us to learn. Build resilience. Adversity can toughen you. Support others as it will open unexpected door. Set new goals if the old plan doesn't fit. Don't just jot these points down. Repeat and apply again and again till they become your beliefs.

**Renu Tripathi**  
Asst. Teacher

## Dopamine & Serotonin: The happiness transmitters

Do you know what your happiness sounds like in vivo? It's called dopamine and serotonin; these are chemical neurotransmitters pivotal in transmitting signals to the brain and body, resulting in neurotic behavior control. Dopamine(C<sub>8</sub>H<sub>11</sub>NO<sub>2</sub>), also known as a 'feel good' chemical, is synthesized via tyrosine and regulates motivation and pleasure. Whereas Serotonin(C<sub>10</sub>H<sub>12</sub>N<sub>2</sub>O), also known as the 'happiness hormone', regulates mood, sleep, appetite, and digestion, and is synthesized with the help of tryptophan.

In the delicate ballet of our neural symphony, dopamine pirouettes along the brain's reward circuits, choreographing movements that direct our desires and ambitions. Produced from the amino acid tyrosine, it is converted to L-DOPA, then to dopamine, each step catalysed by an enzyme such as tyrosine hydroxylase and aromatic amino acid decarboxylase. This cascade powers our quest for pleasure, learning, and memory, weaving experiences into the fabric of our consciousness.

### STRUCTURE OF DOPAMINE

Conversely, serotonin, referred to as the 'happiness hormone,' is born out of tryptophan, an indispensable amino acid derived from our diet. Through hydroxylation and decarboxylation in the brain's raphe nuclei, tryptophan gives birth to serotonin, which later spreads to control mood, sleep, hunger, and digestion. The control of this neurotransmitter spreads beyond the brain, into the gut and blood platelets, highlighting its central role in both mental and bodily health.

Their deficiency causes depression, anxiety, OCD, sleep disorders, and bipolar disorders. SSRIs (Selective Serotonin Reuptake Inhibitors) block the reuptake of serotonin in neurons and leave some amount of serotonin in our brain to improve our mood.

*Ahana Srivastava, XII-A (Maths)*

## The Role of Chemistry in Understanding Finding and Curing Diseases

Chemistry plays a crucial role in understanding diseases by providing the basis for comprehending biochemical pathways involved in disease processes. Biochemistry is essential in this regard, as it helps identify and characterize pathogens, explaining how they infect hosts. Additionally, organic chemistry aids in developing drugs that target specific biochemical pathways in pathogens, thus contributing to the creation of effective treatments.

In the realm of developing diagnostic tools, chemistry enables the creation of biochemical assays that measure biomarkers in the body, such as blood sugar levels or enzyme levels (fig1.1). Analytical chemistry techniques, including mass spectrometry and chromatography, are vital for identifying and quantifying substances in biological samples. Furthermore, chemistry is fundamental to advanced imaging techniques like MRI and PET, which use chemical principles to visualize and diagnose various conditions.

In the medical and drug field, chemistry is instrumental through molecular docking, a computational technique used to predict interactions between molecules, such as proteins or enzymes (fig1.2).

Structure-activity relationship (SAR) explores how changes in the chemical structure of a molecule affect its biological activity. Additionally, pharmacokinetics and pharmacodynamics help understand how drugs are absorbed, distributed, metabolized, and excreted in the body, as well as how they interact with their targets safely and effectively.

*Mohsin, XII B*

## Discovery Learning

Discovery learning is an enquiry based, constructive learning theory that takes places in problems solving situations where the learner draws on their own past experience and existing knowledge to discover facts and relationships and new truths to be learned. Students interact with the world by exploring and manipulating objects, wrestling with questions and controversies or performing experiments. As a result, students may be more likely to remember concepts and knowledge discovered on their own.

Discovery learning is a kind of teaching that is based on the student finding things out for themselves, looking into problems and asking questions.

Psychologist and cognitive learning theorist Jerome Bruner first outline the principles of discovery learning in a book about how people construct knowledge based on prior experience.

Discovery learning is used in the classroom during problem solving exercises and educational programs.

The role of teachers in discovery lessons-

The teacher's role in education is always complex, regardless of the subject matter or the age of the students. In general, the main focus is to help learners understand what they already know more deeply and accurately while

strengthening their dispositions to continue learning throughout life.

The challenge of a teacher in discovery learning is to change the students from being consumers of knowledge to producers of knowledge through the explorations they undertake. He becomes a facilitator and shares his skills and knowledge through supporting the students in what they undertaking.

In discovery learning, a teacher must be active by watching and recording how the students are achieving their learning objectives.

The role of teachers is to provide initial information and materials to work on. Another important element for Teachers to ask questions, give guidance encouragement and feedback. The involvement of group can also facilitate the learning process.

Discovery learning enable teachers to teach creativity and help students to think more. The pre-requisite for the success of the strategy lies in teachers first understanding the subject matter by experiencing them through training.

Teachers should also understand what might hamper students from understanding the subject through probing.

## Interesting Physics Facts

1. Bananas are radioactive.

**Reason:** Bananas contain potassium, and since potassium decays, that makes them slightly radioactive.

2. The sun doesn't require oxygen to burn.

**Reason:** Its energy is generated through nuclear fusion. A process that occurs due to the extreme heat and pressure in its core.

3. Time goes faster at the top of the building than at the bottom

**Reason:** The further away you are from the force of gravity, the faster time will pass for you, and vice versa.

4. The smell of space has been described as seared steak, hot metal, and welding fumes

**Reason:** The reason is polycyclic aromatic hydrocarbons (PAHs). These molecules are by-products of dying stars.

5. It takes a photon around 170,000 years to surface the sun from its core and simply eight minutes to reach our eyes from the surface.

6. If you hold up a grain of sand at arm's length, the patch of sky it covers contains 10,000 galaxies! Each galaxy contains 10 million to a thousand billion stars.

7. All of humanity could fit in a sugar cube. Because atoms are 99% empty space.

8. The sun's color changes while setting or rising due to a phenomenon called scattering.

**Reason:** This means that shorter wavelengths of light scatter away, and only longer wavelengths of light reach our eyes.

Resulting in a yellow-orange sunset.

1. Starlight is a time machine

The stars you see at night are actually "old photos" their light takes years to reach Earth, so we are seeing what they looked like years ago.

2. Speed of light

Light travels so fast that it can go 7 times around earth in just a second

3. The universe is stretching

The universe grows in the same way as if they were dots on balloon that grow apart as we blow it

4. Ice floats because it's light

Water expands when it freezes making ice lighter than water. That's why ice cube floats in water.

5. Special Earth

Earth is the only planet where it rains liquid water, on venus it rains sulphuric acid, on Jupiter and saturn it rains liquid methane and scientist thinks it might rain diamonds on uranus and neptune

6. Stars twinkles because air wiggles

Earth's atmosphere jiggles starlight making stars sparkle, from space they would look steady

7. Hot air balloons rise like bubbles

Hot air is lighter than cool air so it floats up just like bubbles in soda

## Significant contribution of Indian Mathematics

Mathematics in Bharat, or India, has a rich and diverse history. The country has been home to numerous mathematicians who have made significant contributions to various fields of mathematics. Indian mathematics has a rich history, dating back to the Vedic period (before 1000 BCE). Here are some fascinating facts:

- **Early Understanding of Infinity:** Ancient Indian mathematicians recognized five types of infinities, including infinite in one direction, two directions, area, infinite everywhere, and perpetually infinite. Buddhist literature also shows awareness of indeterminate and infinite numbers.
- **Decimal Place Value System:** Indians developed and perfected the decimal place value system,

creating the ancestors of the nine numerals used globally today. This system was in use by the 3rd Century CE.

- **Concept of Zero:** The earliest recorded use of a circle character for zero was in India, with the 7th-century mathematician Brahmagupta establishing basic mathematical rules for dealing with zero.
- **Trigonometry:** Indian astronomers used trigonometry tables to estimate distances between the Earth, Sun, and Moon. They developed concepts like sine, cosine, and tangent functions.
- **Pi ( $\pi$ ) Calculation:** Mathematician Aryabhata approximated  $\pi$  as 3.1416, accurate to four decimal places, and recognized it as an irrational number.
- **Our Great Mathematician :**
- **Aryabhata:** Calculated the Earth's circumference with remarkable accuracy (24,835 miles, only 70 miles off the true value).
- **Brahmagupta:** Made significant contributions to algebra, geometry, and trigonometry.
- **Bhaskara II:** Explained division by zero and made important contributions to quadratic, cubic, and quartic equations.
- **Madhava of Sangamagrama:** Developed infinite series approximations for trigonometric functions, including  $\pi$ .

These contributions showcase the significant impact of Indian mathematics on the global development of mathematics.

## The Power of Data: How Mathematics Drives the World Today

### I. Introduction

Briefly introduce how the world is generating more data than ever before.

### II. What is Data and Why is it Important?

Define data in simple terms.

Explain types: structured (numbers, tables) and unstructured (videos, texts).

### III. The Role of Mathematics in Data Analysis

Highlight key areas of math involved:

Statistics for summarizing and interpreting data.

Algebra & Functions – used in data modeling.

Discuss how graphs and charts help in data visualization.

### IV. Real-World Applications

Education: How schools use data to track student progress.

Sports: Performance analysis of athletes and teams.

Government: Data used for policy making and urban planning.

### V. The Future of Data and Mathematics

Discuss how students can explore careers in data science, analytics, and AI.

Encourage interest in mathematics as a tool for understanding the world.

### VI. Conclusion:

Reinforce the message that math is not just a subject, but a powerful tool to shape the future.

Inspire students to see the real-world value of what they learn in math class.

## High Medicinal and Therapeutic Value of Holy Plant: Tulsi

The plant of Tulsi is traditionally used for preparation of various Ayurvedic formulations for treatment of asthma, bronchitis, and influenza. The hot concoction of Tulsi leaves is usually provided for immediate relief in cold, cough, sneezing nose, dengue and malaria. The bio-organic constituents of Tulsi extracts shows antioxidant activity, anti-aging, immuno modulatory, anti-inflammatory, anti-stress, hepato protective, radio protective, antihelmintic, repellent and larvicidal activity and healing properties in hepatic injury and gastric ulcer. It also plays a role in modulation of both cellular and humeral immunity.

No doubt Tulsi plant is a good source of natural products mainly phyto-constituents which can be used as alternative medicine for the treatment of various human health problems but proper composition and appropriate formulations is required before being used. The phytochemicals of Tulsi extract such as eugenol, rosmarinic acid, apigenin, myretenal, luteolin,  $\beta$ -sitosterol, and carnosic acid having chemo preventive and radio protective effects for skin, liver, oral, and lung cancers by increasing the antioxidant activity. Unripe fruit extract having eugenol, and methyl eugenol, is found highly effective against a resistant strain of *Staphylococcus aureus*. It's leaf extract in combination with chloramphenicol and trimethoprim, shows strong antibacterial activity against drug resistant *S. enterica* serovar.

Antidiabetic activity is reported in tetracyclic triterpenoid [16-hydroxy- 4, 4,10,13-tetramethyl-17-(4-methyl-pentyl)-hexadecahydro cyclopenta phenanthren-3-one] isolated from aerial parts. Oleanolic acid is major constituents, which account for many medicinal activities of this plant. Methods have been developed for rapid detection of their oxidation products from Tulsi leaves. These acids are helpful in slow down of cell division and growth creates antiaging-effect.

## My Mother

She is the one who will stand by you through all,  
She is the one who will fight for you like a wall.  
She is the one who is your best critic.  
But she is also the one who is your best friend.  
She will know how are you feeling right now,  
And she will help you fight through it all.  
Because she is your mother and will care for you no matter what.

**Shivansh Singh, II-B**

## Golden Jubilee Ode

(Celebrating 50 Years of Our Beloved School)

\*Fifty Years of Light and Grace\*

Fifty years have come and gone,  
Yet your legacy shines bright and strong.  
A temple of wisdom, a beacon so true,  
Molding hearts and minds anew.  
Oh, hallowed halls where dreams took flight,  
Where dawn met knowledge, day met night.  
Teachers' voices, soft yet clear,  
Guiding us year after year.  
Blackboards dusty, chalk in hand,  
Lessons taught to help us stand.  
Playground echoes, laughter rings,  
Memories tied to golden strings.  
From the first bell to the final cheer,  
Decades of triumph, year after year.  
Students who walked through your open door  
Now stand as legends, evermore.  
Yet still you stand, unchanging, wise,  
A light that never dims or dies.  
For every child who seeks your name,  
You kindle hope, you fan the flame.  
Fifty years—a golden crown,  
Yet still you rise, you won't back down.  
May the next fifty shine just as bold,  
With stories yet to be told.  
So here's to you, our pride, our guide,  
Forever our joy, forever our pride!

Nayab Jahan,  
Alumnus & Assistant Teacher

## कोई कर्ज नहीं

कभी-कभी शीशे के सामने यूँ ही मुस्कुराने में कोई हर्ज नहीं  
कभी-कभी अजीब सी खुशी से नाचने में कोई हर्ज नहीं  
कभी-कभी पापा का परफ्यूम लगाने में कोई हर्ज नहीं  
बचपन में न जाने क्यों हम बड़ा होना चाहते हैं  
बड़े होकर चाह होती है बच्चा बनने की  
क्योंकि, बचपन में कोई कर्ज नहीं

बचपन में दर्द न होने पर भी हमें दर्द होता था  
बड़े होकर दर्द से तड़पते हुए कहते हैं 'हमें कोई दर्द नहीं'  
बड़े होकर बच्चा बनने में कोई हर्ज नहीं  
क्योंकि, बचपन में कोई कर्ज नहीं

वह बड़े सिर्फ ऊँचाइयां पाना चाहते हैं  
हम बच्चे तो पेड़ से दो आम गिराकर भी राजा बन जाते हैं  
बचपन में धन दौलत की कोई इच्छा नहीं  
इसीलिए तो बचपन से बढ़कर कोई शिक्षा नहीं  
क्योंकि, बचपन में कोई कर्ज नहीं

बचपन में जिद्द भी मां का आंचल पकड़कर  
और रोना भी उसी अंचल में लिपटकर  
बचपन में पल में रोना, पल में हंसना  
बचपन किसी को कराता नहीं पराया या अपना  
बचपन में तो हर कोई होता है अपना  
चाह होती है बस बुनने की एक छोटा सा सपना  
इसको अपनों संग जीने से बड़ा कोई फर्ज नहीं  
क्योंकि, बचपन में कोई कर्ज नहीं  
कोई कर्ज नहीं

अब अगर हँस भी दें तो एक हर्ज सा है  
अब तो दुख भी एक मर्ज सा है  
टुकड़े चाहे कितने ही हो गये हों  
मगर उन टुकड़ों को जोड़े  
दुनिया को खुश रखना, एक फर्ज सा है  
सांसे लूँ तो यूँ लगता कि सांसे लेना भी एक कर्ज सा है  
ऐ मालिक, ले ले मुझसे ये जवानी  
लौटा दे मुझे मेरा वो बचपन  
जब जिंदगी में थे  
कोई कर्ज नहीं  
कोई कर्ज नहीं।

## हिन्दी हमारा गर्व

‘निज भाषा उन्नति अहै, सब उन्नति को मूल।’

भारतेन्दु हरिश्चन्द्र जी की उक्त पंक्तियाँ अत्यन्त सारगर्भित हैं। अत्मनिर्भरता, आत्मविश्वास, प्रगति इन सबके बीज हमारी राजभाषा हिन्दी में ही निहित हैं।

हिन्दी भाषा की उत्पत्ति लगभग 1000 साल पहले हुई थी जो मुख्य रूप से अपभ्रंश भाषा से विकसित हुई है। अपभ्रंश प्राकृत की अंतिम अवस्था है और प्राकृत संस्कृत से विकसित हुई है।

विश्व में तृतीय स्थान पर विराजमान हिन्दी भाषा की स्थिति क्या विचारणीय है। क्या अन्य भाषाओं की तुलना में हिन्दी उपेक्षित है। हिन्दी को उपेक्षित नहीं कहा जा सकता है क्योंकि विश्व की 7164 भाषाओं में तृतीय स्थान पर शोभायमान हिन्दी अपना वर्चस्व स्थापित की हुई है। तथापि हिन्दी की स्थिति विचारणीय है। कारण, हिन्दी अपने स्वरूप को खो रही है। संस्कृत से जन्मी हिन्दी में संस्कृत के तत्सम शब्दों की भरमार है। साथ ही अरबी, फारसी और अंग्रेजी शब्दों का भी भण्डार है। जिस समय हिन्दी अस्तित्व में आयी, उस समय भारतवर्ष में मुगलों का पदार्पण हो चुका था। अतः स्वाभाविक है हिन्दी में

इन भाषाओं के शब्दों का समावेश होना। या यँ भी कहा जा सकता है कि मुगलों के आगमन होने पर ही प्राकृत ने हिन्दी का रूप लिया।

विचारणीय यह है कि जिस प्रकार संस्कृत ने प्राकृत और प्राकृत ने हिन्दी का रूप लिया, कहीं अन्य भाषाओं के शब्दों के समावेश से अथवा अशुद्ध हिन्दी के प्रयोग से हिन्दी किसी अन्य भाषा को जन्म न दे दे।

आज समय परिवर्तन के साथ-साथ भाषा परिवर्तन भी हो रहा है। यह सूक्ष्म परिवर्तन धीरे-धीरे वृहद् रूप ले सकता है। इसलिए आवश्यकता है संस्कृत व हिन्दी के मूल अस्तित्व को सुरक्षित रखने की। यह प्रयास मौखिक व लिखित दोनों होना चाहिए।

आये दिन कहीं-न-कहीं हिन्दी का अशुद्ध रूप देखने को मिलता है। 'इण्टर' को 'इन्टर', 'शिवम्' को 'सिवम्', इत्यादि। व्हाट्सएप की भाषा हिंग्लिश भी शोचनीय है। प्रायः लोग हिन्दी को भी देवनागरी लिपि में न लिखकर लैटिन लिपि का प्रयोग करते हैं जो कि चिंता का विषय है। कहीं देवनागरी लिपि भी अपना अस्तित्व न खो दे।

संक्षेप में, आज हमारा यह पुनीत कर्तव्य है कि हम संस्कृत और हिन्दी की गुणात्मक तथा मात्रात्मक वृद्धि करें। इसी सन्दर्भ में राष्ट्रीय शिक्षा नीति 2020 में त्रिभाषा सूत्र को अपनाया गया है जो कि सर्वथा सार्थक है और इसे अमल में लाना चाहिए

**स्वर्णिमा श्रीवास्तव, 10'ब'**

## जीवन का उद्देश्य

जीवन एक यात्रा है, दौड़ नहीं  
अर्थ की खोज है, धन  
संसाधन का मोह है।  
एक संतोष जो दयालुता, प्रेम और विश्वास में है  
अभियान या क्षणभंगुर प्रसिद्धि में नहीं।  
जब गिरें तो दूसरों को उठाना,  
जरूरतमंदों की पुकार का उत्तर देना।  
सत्य और ज्ञान के प्रकाश की खोज,  
जो सही है उसके लिए दृढ़ रहने की सोच।  
जीवन का उद्देश्य दृढ़ना कठिन नहीं,  
हर हृदय में, आत्मा में, मन में, बसता वही।  
जीवन का उद्देश्य कुछ पाना या खोना नहीं,  
ज़िंदगी को खुलकर जीना है।

## समय का मूल्य

दुनिया में सबसे महत्वपूर्ण है समय।  
समय हमें बहुत कुछ सिखलाता है,  
अमीर को गरीब, गरीब को अमीर बनाता है।  
जीवन में जो एक बार आता है महत्वपूर्ण समय,  
फिर कभी लौट न आता है वो समय,  
जीवन में सफलता प्राप्त कराता है समय।  
जिसने जीवन में न की कद्र समय की,  
फिर वो जीवन भर पछताता है।

**आरव सिंह, 8-स**

## आज का बदलता समाज

आज हम जिस समाज में रहते हैं वो प्राचीन समय से बिलकुल बदला हुआ दिखाई देता है। वर्तमान समय में हमारे पास अनेकों तकनीकें हैं, जिससे हमारा जीवन सरल और बेहतर हो गया है। जहाँ कई मीलें चल कर लोग कई दिनों में एक जगह से दूसरी जगह पहुँचते थे, वहाँ आज कुछ ही मिनटों में पहुँच जाते हैं। लोगों के मनोरंजन के लिए विभिन्न साधन हो गये हैं। वैज्ञानिक क्षेत्र में विभिन्न प्रकार के आविष्कार हो रहे हैं। बालकों की तरह बालिकायें भी हर क्षेत्र में अपना सहयोग प्रदान कर रही हैं। विभिन्न प्रकार की बीमारियों का इलाज सुविधा पूर्वक हो रहा है। परन्तु जो हमारा समाज सभ्यता, संस्कृति, एकता और भाईचारे के लिए जाना जाता था आज वो लुप्त होता जा रहा है, लोग पश्चिमी विचार-धारा के पीछे भागने लगे हैं। लोगों के अन्दर से त्याग, प्रेम, तपस्या जैसी भावना विलुप्त हो रही है। भाई-भाई का दुश्मन हो गया है। लोगों में अपना वर्चस्व स्थापित करने की होड़ लगी हुई है। समाज एक रंगमंच बन गया है और व्यक्ति उस रंगमंच के कलाकार। बाहरी दुनिया की चकाचौंध में व्यक्ति आंतरिक शांति प्राप्त करना भूल गया है। यदि हम मानव चाहें तो फिर से पहले की ही तरह प्रेम, त्याग, भाई चारे की भावना का विकास, अपने विचारों को परिवर्तित करके कर सकते हैं, यदि हर कोई अपने 'अहम', 'मैं' की भावना और स्वार्थ को त्याग कर परोपकार, सद्भावना और आत्मिक संतुष्टि का विकास करे। क्योंकि जीवन जीने से ज्यादा जरूरी है, कि हम अपने जीवन में संस्कारों एवं आदर्शों को ग्रहण करें।

*'करे हम खुद को इतना बुलंद, अगर बदलने का है शौक हमें,  
क्योंकि एक-एक के बदलने से समाज का बदलता स्वरूप है'।*

**अनीता सिंह**  
(सहा. अध्यापिका)

## आत्मविश्वास

छोटा सा दीपक हूँ मैं,  
अंधेरों से डरता नहीं  
तूफानों में भी खड़ा रहूँ  
क्योंकि खुद पर मरता नहीं  
मैं हूँ निश्चय, मैं हूँ आस  
मैं हर हार के बाद की साँस  
जो जले अंधेरे में दीपक बन  
मैं हूँ वही आत्मविश्वास  
हर ख्वाब मेरा अपना है  
हर डर मुझसे हारा है  
मैंने खुद को जब पहचाना

तब जाना क्या इरादा है।  
आत्मविश्वास है वो शक्ति  
जो अंदर से निखरती है  
भीड़ में भी अकेले चलने की  
एक हिम्मत सी उभरती है  
रास्ते में कांटे आते रहेंगे  
हिम्मत से रखना है कदम  
खुद पर विश्वास रख  
दुनिया को दिखाना है दम।

**Isma Zia Siddiqui**  
x c

## मन करता है

मन करता है तितली बनकर,  
नभ में उड़ जाऊँ मैं।  
चंदा के साथ रहकर,  
तारों परराज जताऊँ मैं।  
सूरज बनकर,  
जग में प्रकाश फैलाऊँ मैं।  
पवन बनकर,  
सबको शीतलता पहुँचाऊँ मैं।  
पक्षी बनकर,  
चीं-चीं शोर मचाऊँ मैं।  
माँ की लाडो बनकर,  
प्रेम रस से भर जाऊँ मैं।

निवेदिता सिंह, I-E

## सबका प्यारा अपना घर

चूँ-चूँ चीं-चीं चिड़िया रानी,  
माँगे मुझसे दाना पानी।  
फुदक-फुदक कर इत-उत झाँके,  
कुछ लो दे दो, मुझको लाके।  
घोंसले में चिड़िया के बच्चे,  
प्यारे-प्यारे ऊन से गुच्छें।  
चोंच खोले, चीं-चीं करते,  
चिड़िया खाना दे भर-भर के।  
मेरी माँ भी चिड़िया सी,  
सुबह सवेरे उठ जाती।  
हम सबकी है भूख मिटाने,  
झटपट खाना वो पकाती।  
हम सब प्राणी एक समान,  
सबका प्यारा अपना घर।  
शीश झुकाओ, नमन करो,  
हम सबका है एक ईश्वर।

अनाया, II-C

## हम औसत है

कक्षा में कुछ समझ न आए,  
परीक्षा के प्रश्न न भाए,  
रात-दिन, शाम-सवेरे,  
हमको तो परिणाम सताए।

कोई कहता बन जाओ डॉक्टर,  
कोई कहता बनो इंजीनियर  
पर कोई हमसे तो पूछे  
हमारा मन लागे किधर।

कुछ सदा प्रथम है आते,  
कुछ कोयल सा मीठा गाते,  
कुछ मंच पर जाकर मजे से,  
अपने पैरों को थिरकाते।

पर हम तो बस हैं बैठे रहते,  
न कुछ करते, न कुछ कहते,  
किन्तु 'गुणी' को कौन सराहता,  
अगर हम औसत न होते?

न होती हमसे चित्रकला,  
न सूरदास सा गला खुला,  
किन्तु भूल से भी न सोचें,  
कि नहीं हम में है कला।

हम तो माँ की जान हैं,  
मित्र समूह की शान हैं,  
न किसी का दिल दुखाते,  
रखते सबका मान हैं।  
कठिन परिश्रम करते हैं,  
संतुलित जीवन रखते हैं  
न शीर्ष-सर्वोच्च न तल, तली,  
मध्य में ही खुश रहते हैं।

एक नहीं सौ काजी हैं,  
जीतते जीवन की बाजी हैं,  
टाटा, तेंदुलकर, गेट्स, अंबानी  
सब हमारे साथी हैं।

तनजीम फातिमा, X-C

## जीवन का उद्देश्य

जीवन एक यात्रा है, दौड़ नहीं  
अर्थ की खोज है, धन संसाधन का मोह है।  
एक संतोष जो दयालुता, प्रेम और विश्वास में है  
अभियान या क्षणभंगुर प्रसिद्धि में नहीं।

जब गिरें तो दूसरों को उठाना,  
जरूरतमंदों की पुकार का उत्तर देना।  
सत्य और ज्ञान के प्रकाश की खोज  
जो सही है उसके लिए दृढ़ रहने की सोच।  
जीवन का उद्देश्य ढूँढ़ना कठिन नहीं,  
हर हृदय में, आत्मा में, मन में, बसता वही।  
जीवन का उद्देश्य कुछ पाना या खोना नहीं,  
जिन्दगी को खुलकर जीना है।

सृष्टि, VIII-B

प्रातः हुई- हुई आरती, बजते शंख  
नित्या क्रिया में रमते सब  
बाजारों में भगदड़ है, सड़कों पर रौनक है।  
विद्यालय को जाना है, शिक्षा को पाना है  
दुनिया अपने में खोई है, दिखावे में रोई है।  
मन्दिर के बाहर तो देखो, भूखे बच्चे सोये हैं।  
एक निवाला इनको देना, प्रसाद मुझे चढ़ जायेगा,  
मेरे दर पर मांगने वालों, बिन मांगे सब मिल जायेगा।

अनाया सिद्दीकी, IX-B
